

Comings & Goings

for the months of July / August 2009

Activities and Events for Silver Cougar Club Members!

THE CRAZY DAYS OF SUMMER

July and August have arrived again and the Foundation is busier than ever! So, as last year, there will be no classes or special events for the Silver Cougar Club during these months. With our biggest fundraiser of the year (the Big Benefit Auction), the annual Foundation audit, staff vacations and regular daily work to keep up with, we meet ourselves "coming & going". We will be back full force in the fall – so be sure to look for new trips and class opportunities in your next newsletter. Remember, although we are busy, we are always available to visit with you any time. Have a great summer and we look forward to seeing you in September!

SILVER COUGAR MEMBERS WIN TOP PRIZES AT FOUNDATION CLAY SHOOT

The Foundation held its second annual Sporting Clay Shoot on April 19th at Lasada Sporting Clays & Hunting Service in Russell, Kansas with 143 shooters (including 43 teams) participating. This fundraising event netted over \$8,000, which will be used for Barton Faculty Mini-Grants. Prizes were offered in many categories including top team, man, woman, and youth shooter. Silver Cougar Club member **Eileene Duryee** was the top shooter in the women's category and **Ted Clinesmith** was the overall best shooter of the day! In addition, **Bill Duryee** placed second and **Paul Tschopp** finished third in their respective Lewis Classes.

JEAN CAVANAUGH AWARDED FOUNDATION DISTINGUISHED SERVICE AWARD

Every year the Foundation presents a Distinguished Service Award, which recognizes individuals in the community who have demonstrated genuine regard for and outstanding service to Barton Community College. This year our award goes to Jean Cavanaugh. The award recipient must go through a nomination process and meet the following criteria: The recipient must be a citizen or former citizen of the college's service area; Service to the college shall have extended over a period of time rather than single or short-term service, and; Consideration may be based on either acts of professional service, leadership, sustained financial support or a combination thereof. When you see this fellow Silver Cougar Club member, be sure to congratulate her.

INCREASE IN CLASS COSTS

The Board of Trustees approved an increase in College fees for all students taking classes at Barton Community College. The price you pay for Silver Cougar Club classes is based on the fee amount. Beginning, July 1, 2009 SCC classes will cost \$25.00 per credit hour (most classes we offer are for one credit hour).

For more information, contact the Foundation Office at (620) 786-1136 or (620) 792-9306.
