## Channel 14

Channel 14 gives the campus and surrounding communities information about most events and activities on campus.

**INTERCOM** is a monthly source of information as to what's happening on campus. It is sent by email to the student's college email address (bartoncougars.org). <http://www.bartonccc.edu/current/campuslife/studentlife/index.html>

**Student Life** provides experiences that will add to your enjoyment of life and stimulate personal growth and social development. A current list of activities for the semesters & upcoming events for the month: <http://www.bartonccc.edu/current/campuslife/index.html>

**Clubs & Organizations** have been created to provide opportunities and experiences. Each club or organization has one or two faculty or staff sponsors who are directly responsible to and for their respective groups.

**Campus Alerts:** At some colleges students pay a fee to enroll in campus alerts. At Barton, it's just another service we provide to our students at no charge. So take advantage of this and enroll today. <https://exsforms.bartonccc.edu/employee/sms/blsms.php>

**Barton County Campus Emergency/College Closings:** select & receive a text when the college closes due to weather or unexpected situations or an emergency situation.

**Barton County Campus Student Activity Alerts:** select & receive a text the day of a student activity (movie night, bowling ...)

**Housing Alerts:** select & receive a text to remind housing students about changes in housing life.
