

Preparing to Meet with Your Advisor

In order to be prepared for your next meeting with your advisor, you have a little homework. Consider each of the following topics, and jot down any questions or changes that your advisor should be aware of. By sharing this information with your advisor, you can both stay current regarding your progress.

Name: _____ Semester: _____

Current Major and potential career: _____

Alternate Majors and potential careers: _____

Target Graduation Date: _____

Classes needed next term:
