

All Faculty Meeting Approved Fundamental Outcomes:

Completion of a Barton Community College degree template will enable students to:

- F-1. **Study** a given subject critically, including processes to analyze and synthesize important parts of the subject, to ask appropriate and useful questions about the study of this subject, and to solve problems within the subject area.
- F-2. **Relate** the relevance of a given subject to the individual student's life, to develop habits that encourage life-long, responsible and independent learning, and to apply appropriate and useful knowledge of the values, conventions, and institutions within an academic discipline.
- F-3. **Understand (Describe)** how history works, including how historical perspective can strengthen understanding of a given academic subject, and how the history of human endeavor has helped develop that subject.
- F-4. **Know (Explain)** how technologies affect important parts of human life and how information technologies shape the study of a given subject.
- F-5. **Explain** how culture develops through various aspects of human endeavor, how culture develops our understanding of a given subject, and how a given subject has been developed within different cultures.
